CAP-TIVITIES!

ISSUE #1
MAY 2020

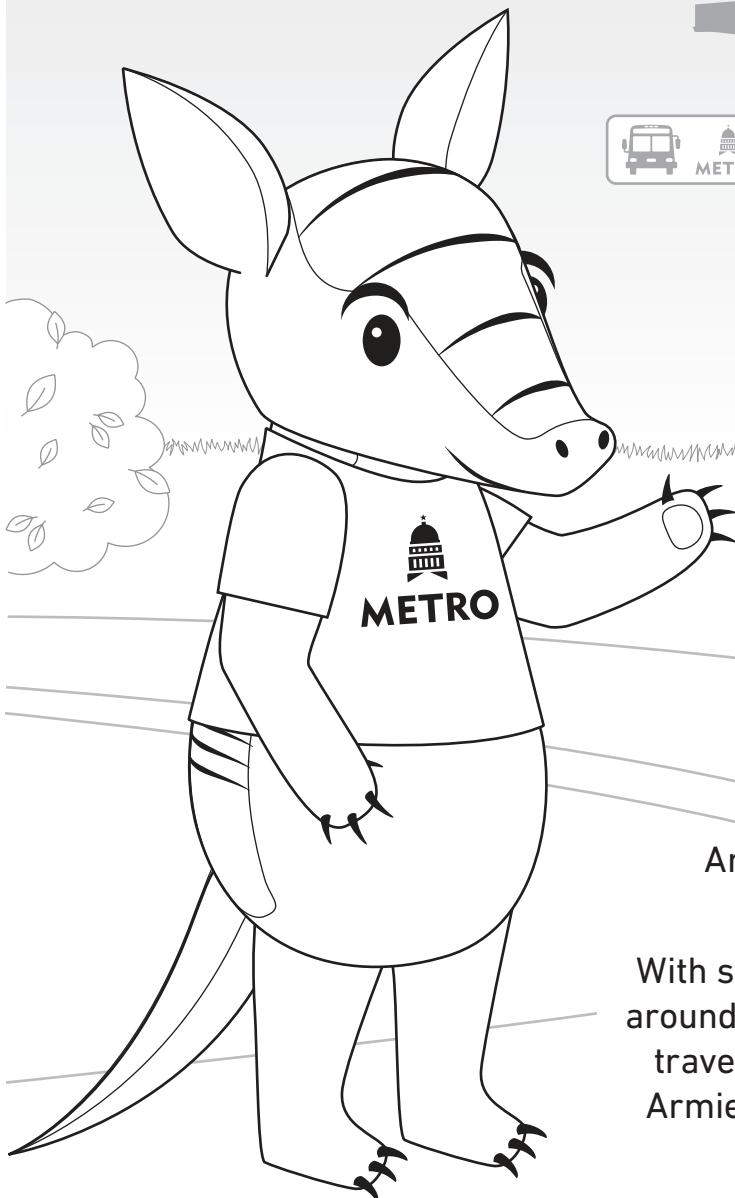

A NOTE ON PRINTING...

While we've tried to set up this activity book to be as user-friendly as possible, we understand that there can be caveats to printing at home.

Our recommendation is to print the book single-sided and in color. And, if you run into trouble solving a puzzle, there's an answer key on the last page.

Enjoy!

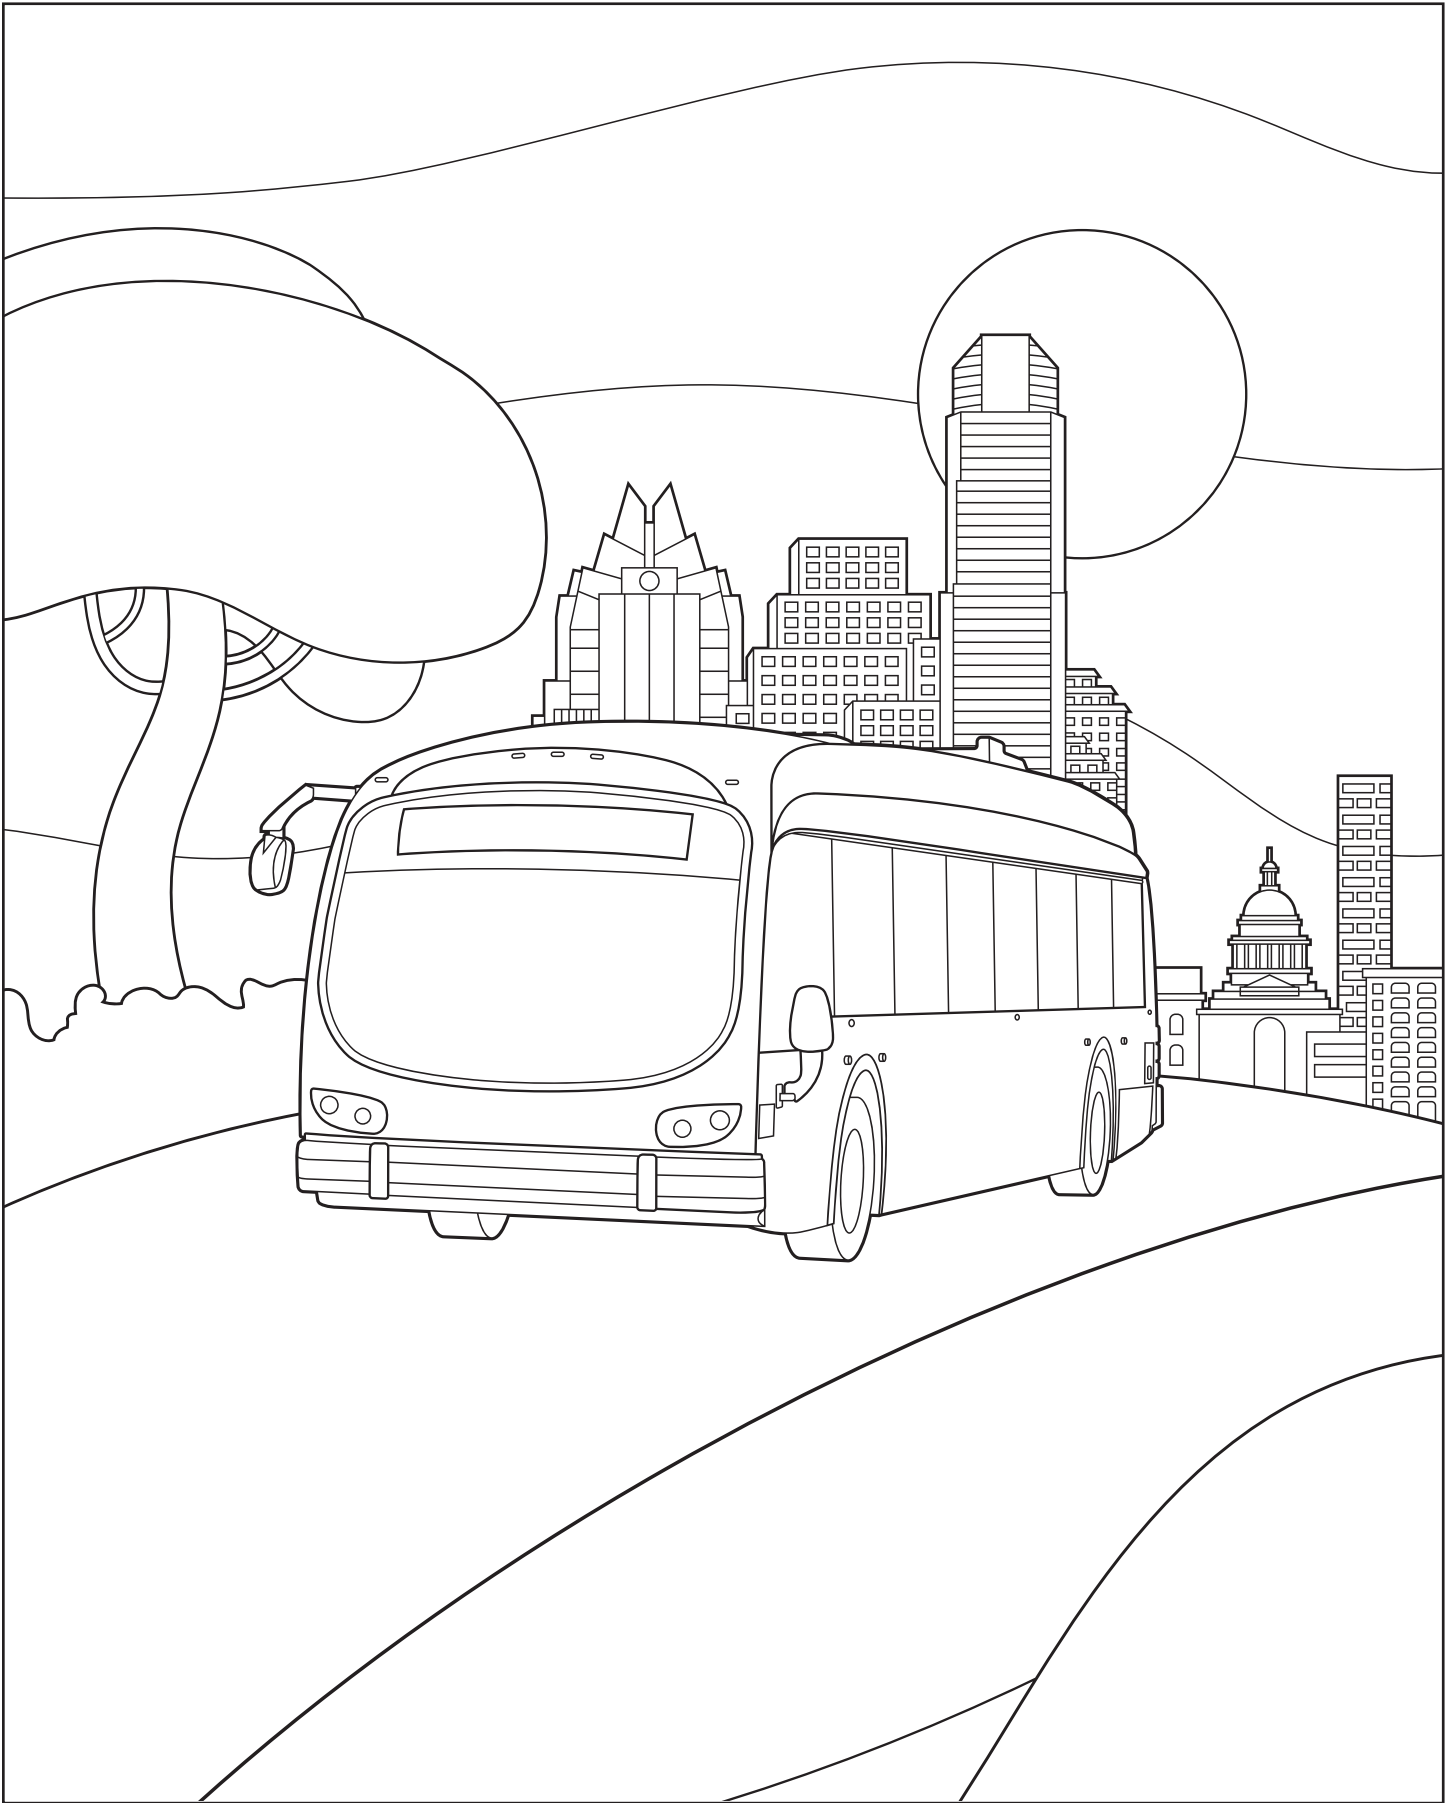

Who is Armie?!

Armie Dillo is a nine-banded armadillo from amazing Austin, Texas!

With so many fun and exciting things to explore around this town, Armie loves using CapMetro to travel all over the city. So keep an eye out for Armie, who's always looking for another great Austin adventure!

WORDOKU!

Have you ever played Sudoku? It's a puzzle set up on a 9 by 9 square that lets you use logic to fill in the grid with numbers. The objective is to fill each column, each row and each of the subgrids with all of the digits from 1 to 9.

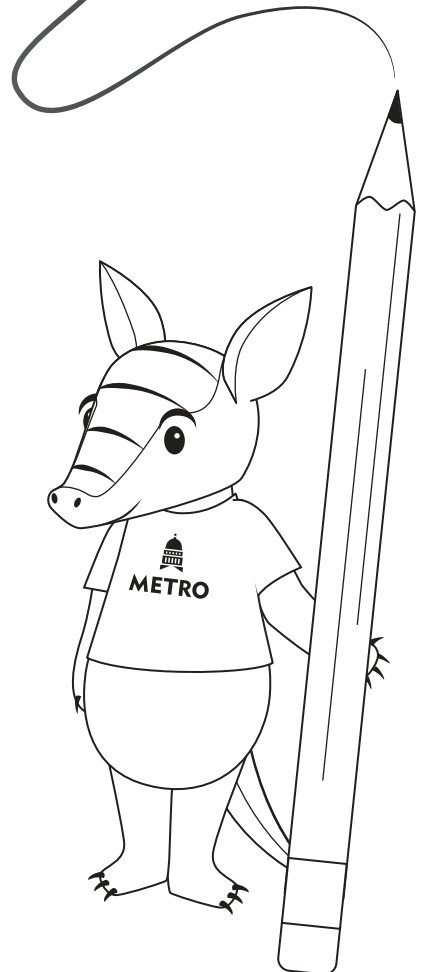

Wordoku is the same, except you use letters instead of numbers. And when you complete the puzzle correctly, a word is spelled out somewhere across the subgrid!

On the right is a simple version of Wordoku to try. You can only use the letters already on the board. Start by looking at those letters and determine what's missing in each subgrid.

	Y		T	S	
	E	S	F	A	Y
	T	E	A		
A					
			E	T	
E	F		S	Y	

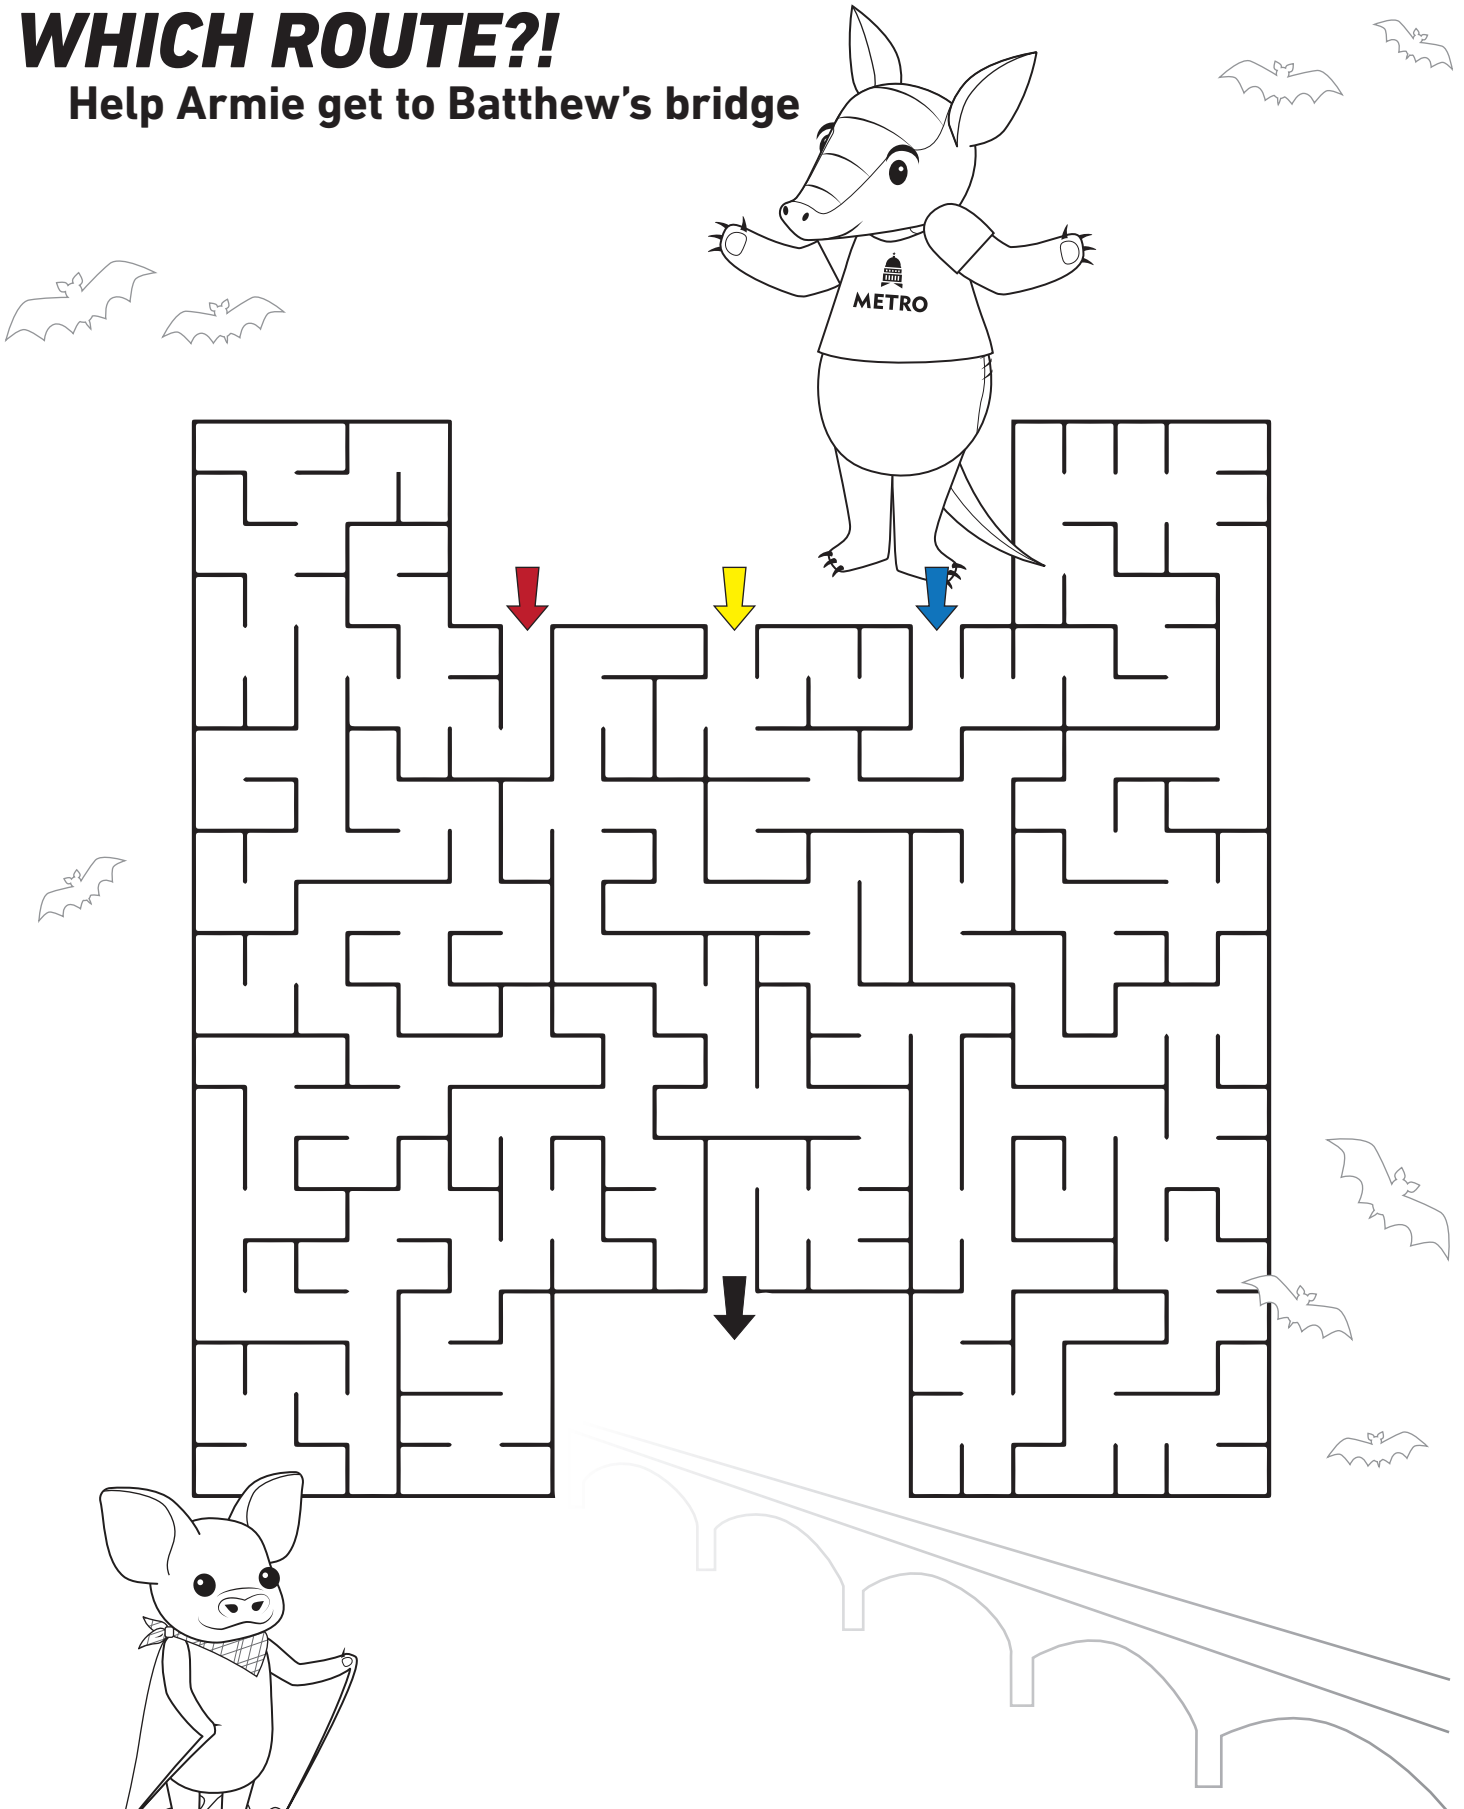

Now let's try a harder one! Ask an adult for help if you're real stuck, or find the answers in the back.

	W	Y	S	D		E		A
A		V	R	Y	I		D	W
I	D			A				R
		W		S		V		I
	R	I	V		W			S
	S		Y	I		W	E	D
Y	V					I	A	E
S	I			V			W	Y
	A		I	R		D	S	V
