**CAP-TIVITIES!**

**ISSUE #2**  
**JUNE 2020**

### **A NOTE ON PRINTING...**

While we've tried to set up this activity book to be as user-friendly as possible, we understand that there can be caveats to printing at home.

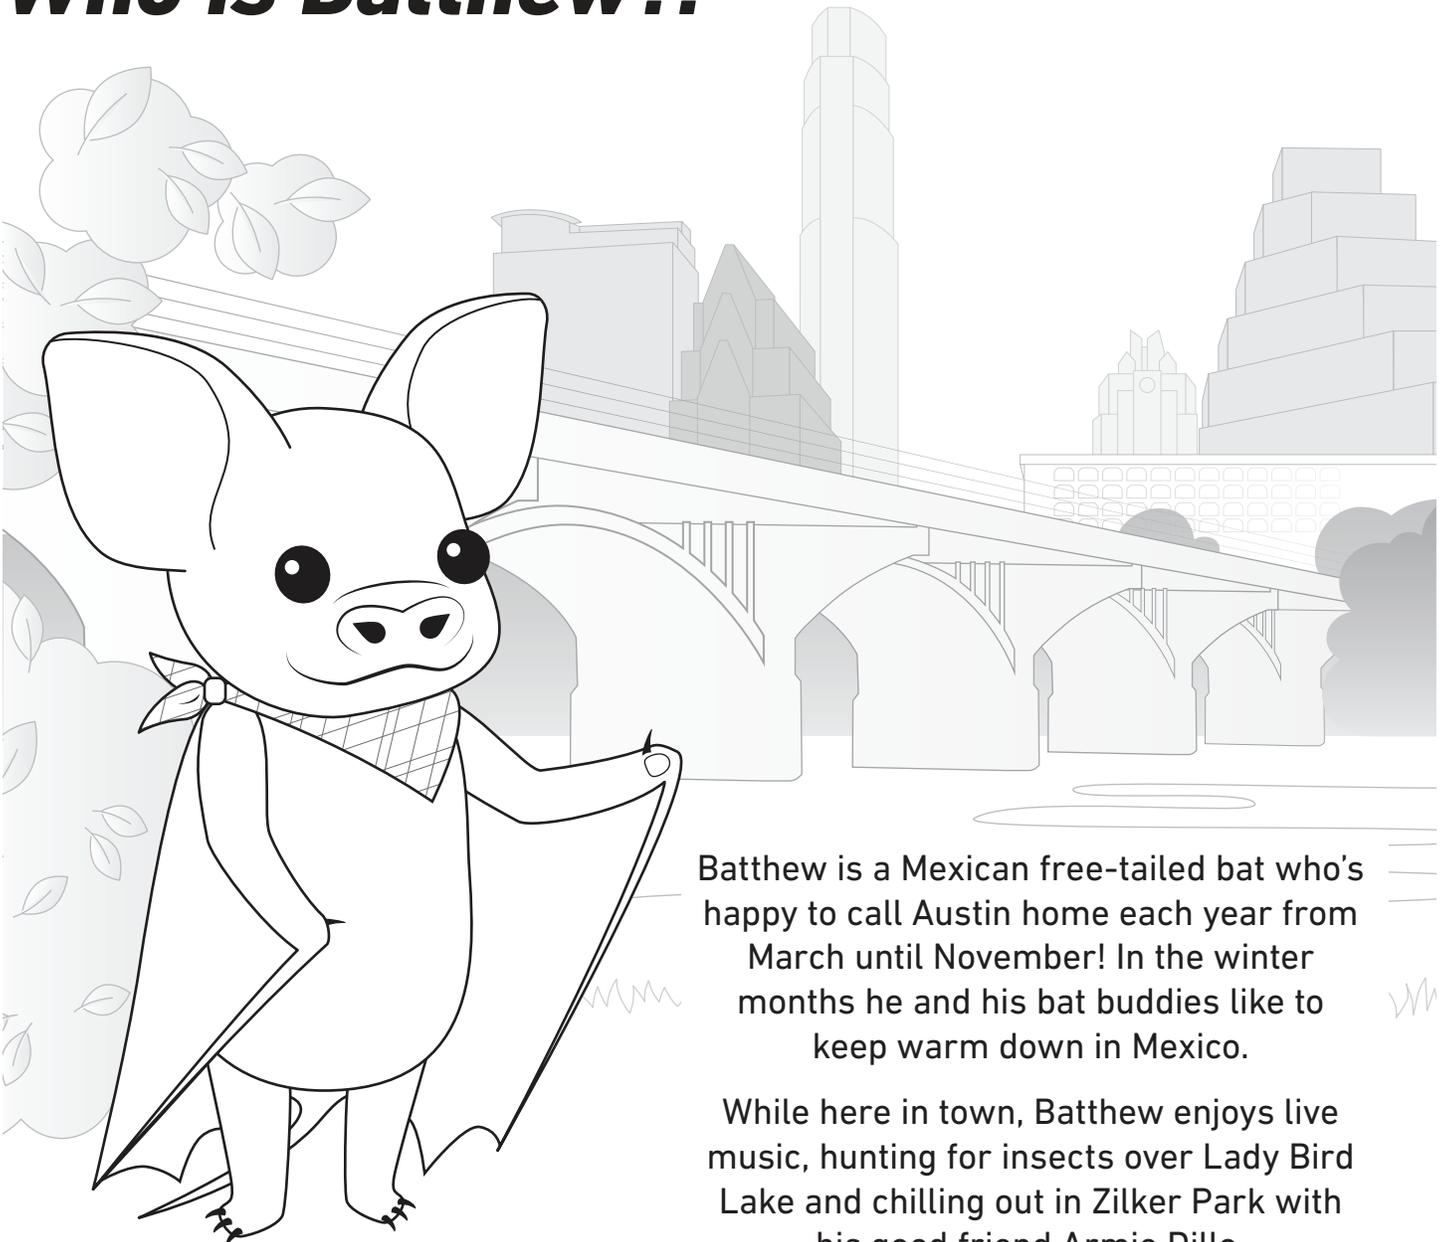

Our recommendation is to print the book single-sided and in color. And, if you run into trouble solving a puzzle, there's an answer key on the last page.

Enjoy!

## **Who is Batthew?!**

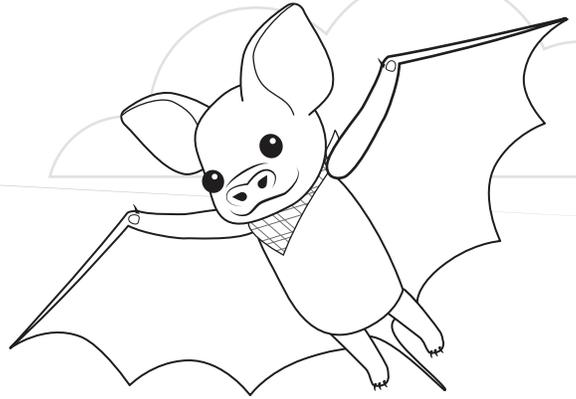

Batthew is a Mexican free-tailed bat who's happy to call Austin home each year from March until November! In the winter months he and his bat buddies like to keep warm down in Mexico.

While here in town, Batthew enjoys live music, hunting for insects over Lady Bird Lake and chilling out in Zilker Park with his good friend Armie Dillo.

# A-MAZE-ING!

Help Armie take the Route 300 bus to Krieg Field!

# WHO'S THAT?

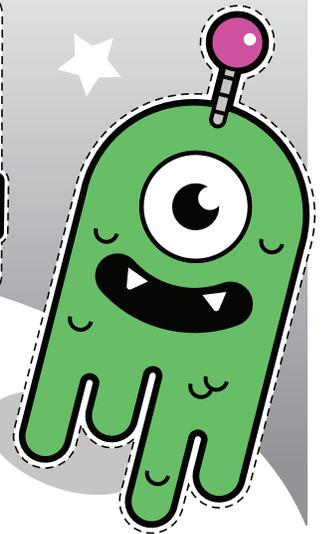

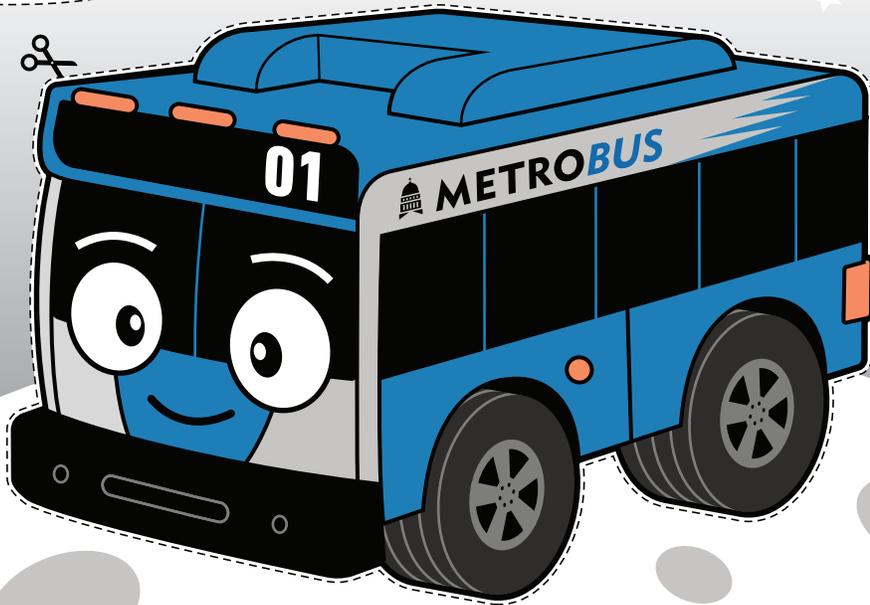

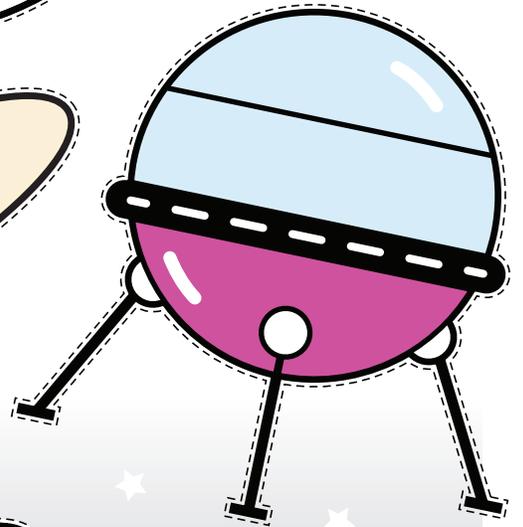

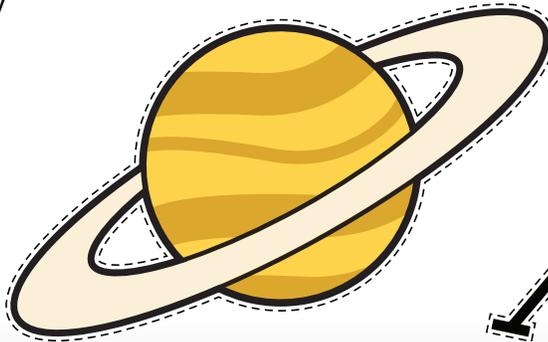

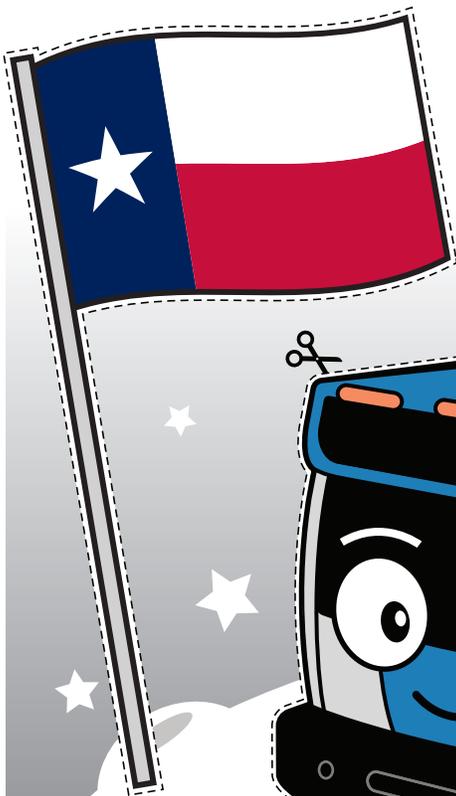

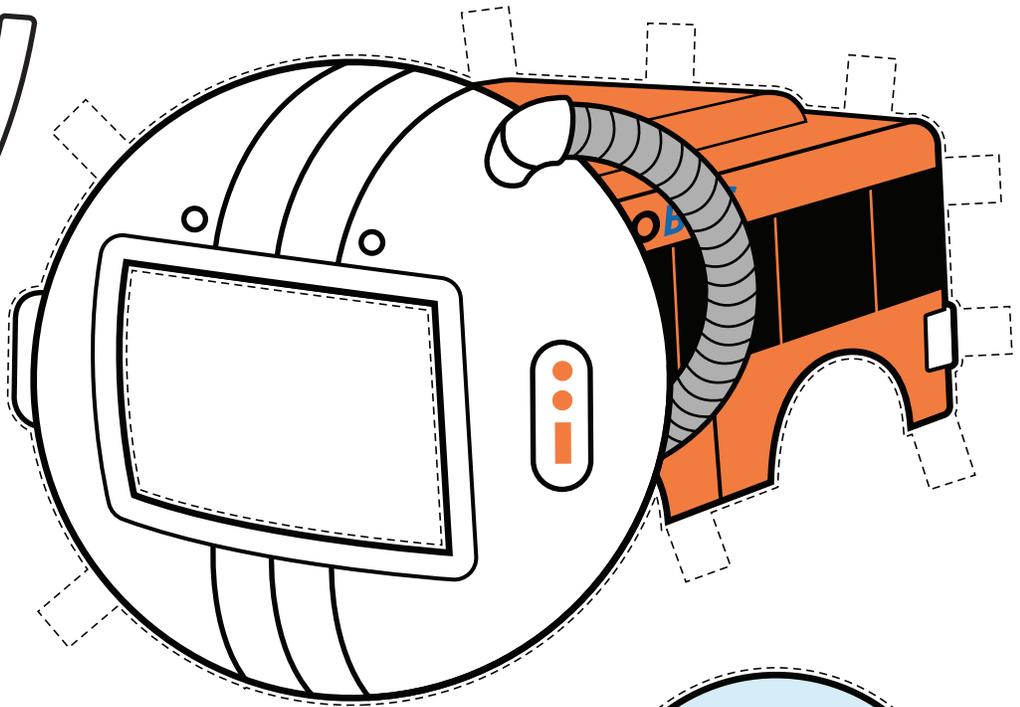

Connect the dots to reveal a new *CAP-TIVITIES* friend!

# CAPY

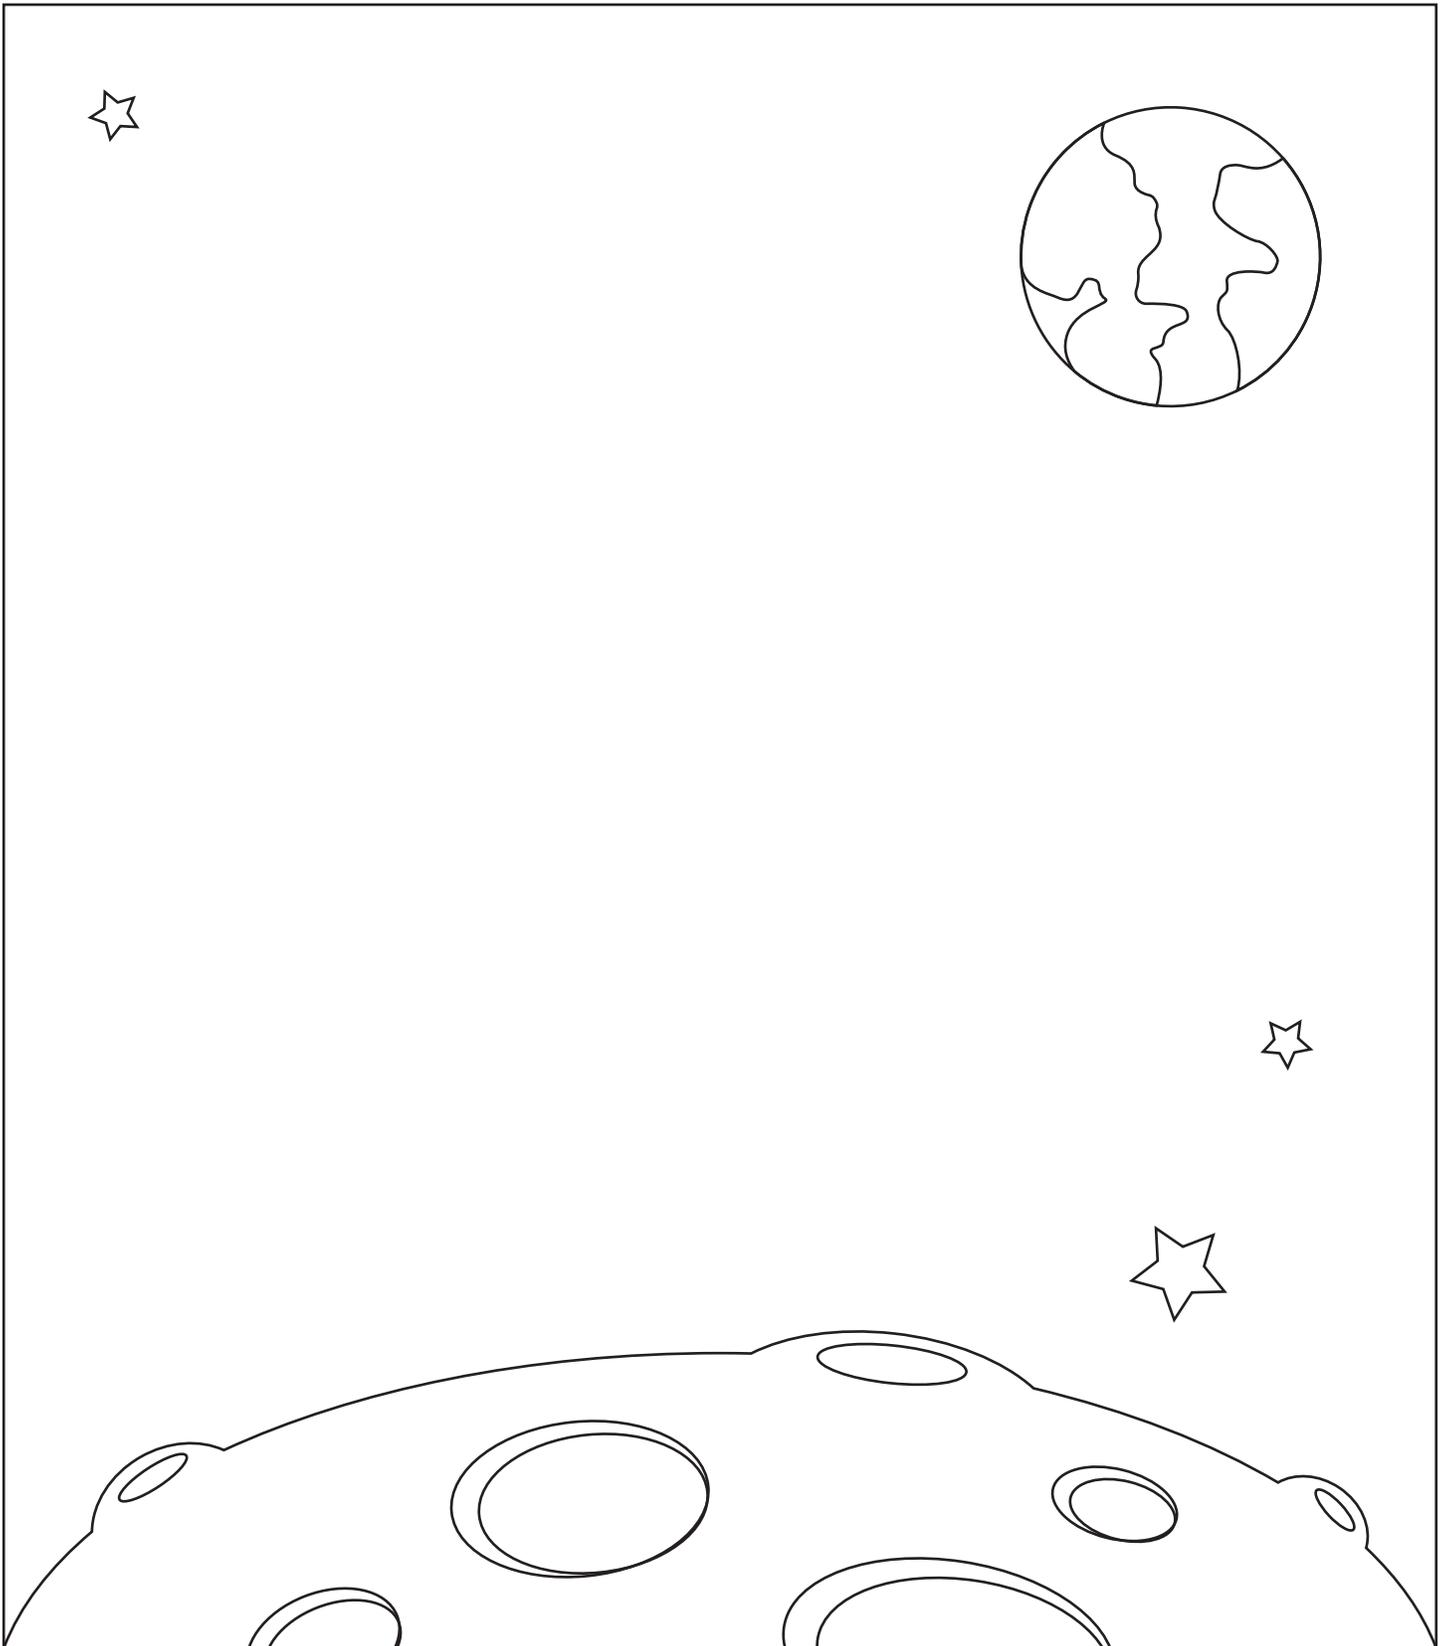

## GETS LOST IN SPACE

It's one small step for bus; one giant leap for bus-kind. It seems our globetrotting explorer Capy has drifted out into the endless sea of deep space. Cut out all the pieces on this page and help him go further than any other bus has gone before — I hear Mars is lovely this time of year.

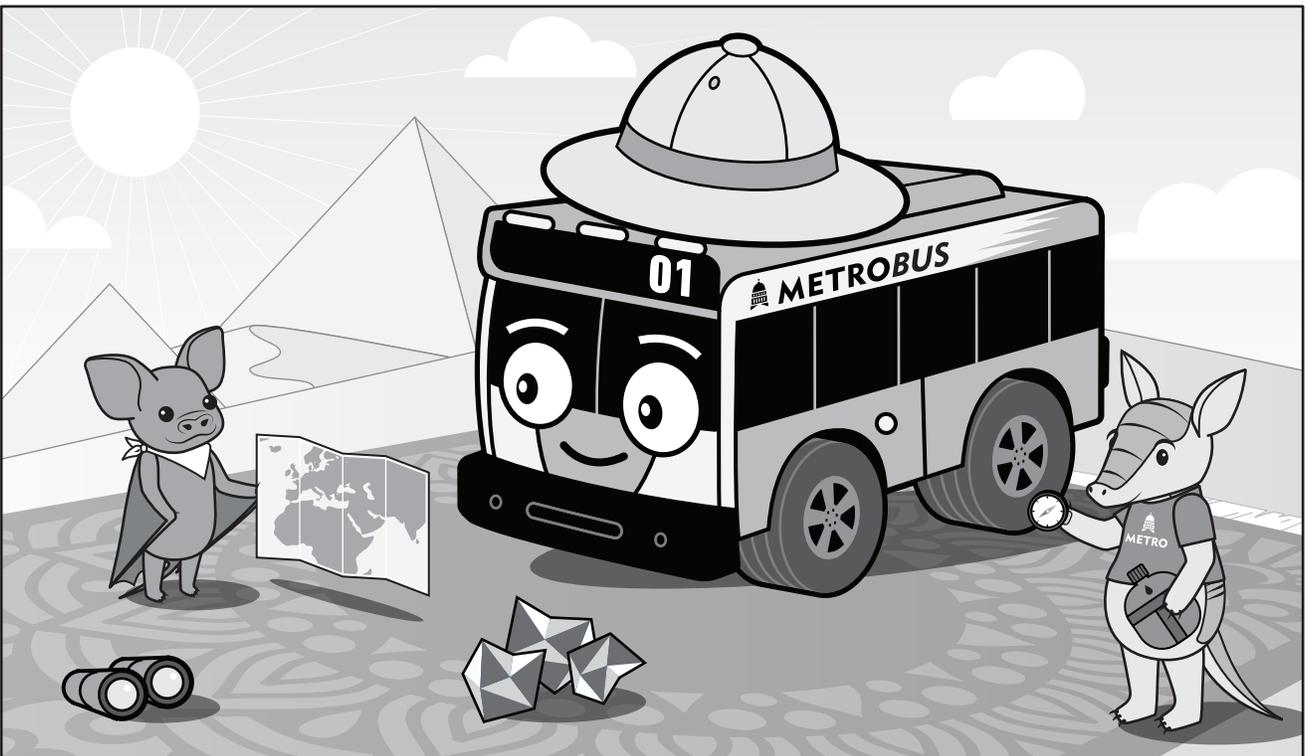

# SET THE SCENE!

Finish drawing the scene below. What would Capy's journey into space look like? What kinds of exciting new discoveries would he make along the way?

# SPOT THE DIFFERENCES!

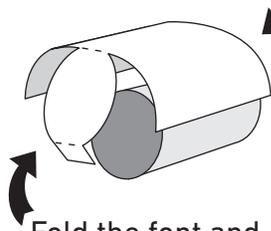

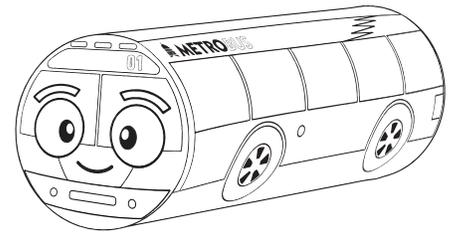

Remember when Capy explored the pyramids? Well it turns out, he had a few familiar friends join up with him along the way! Can you spot the **10 differences** between these two seemingly identical snapshots taken during their adventure?

# COLOR - CUT - PLAY!

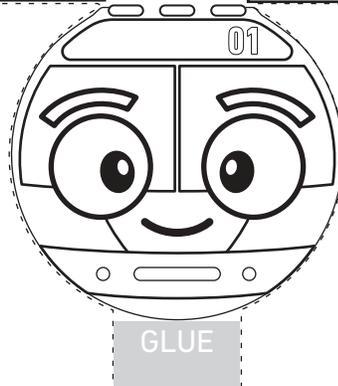

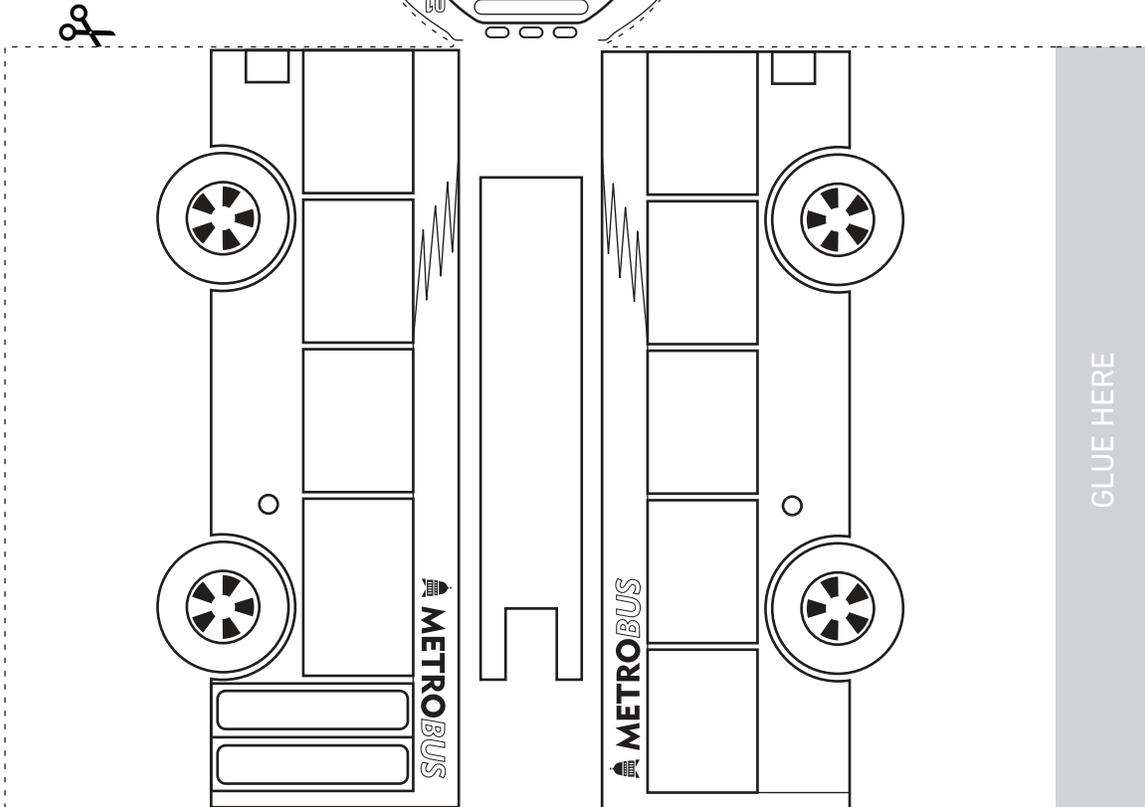

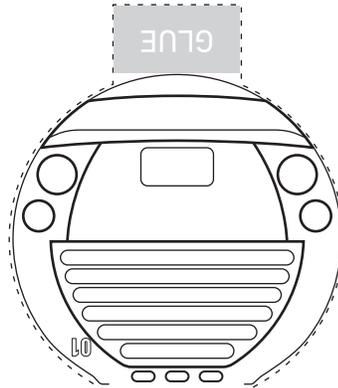

## TP Roll Capy

Once colored, cut out Capy's outline.

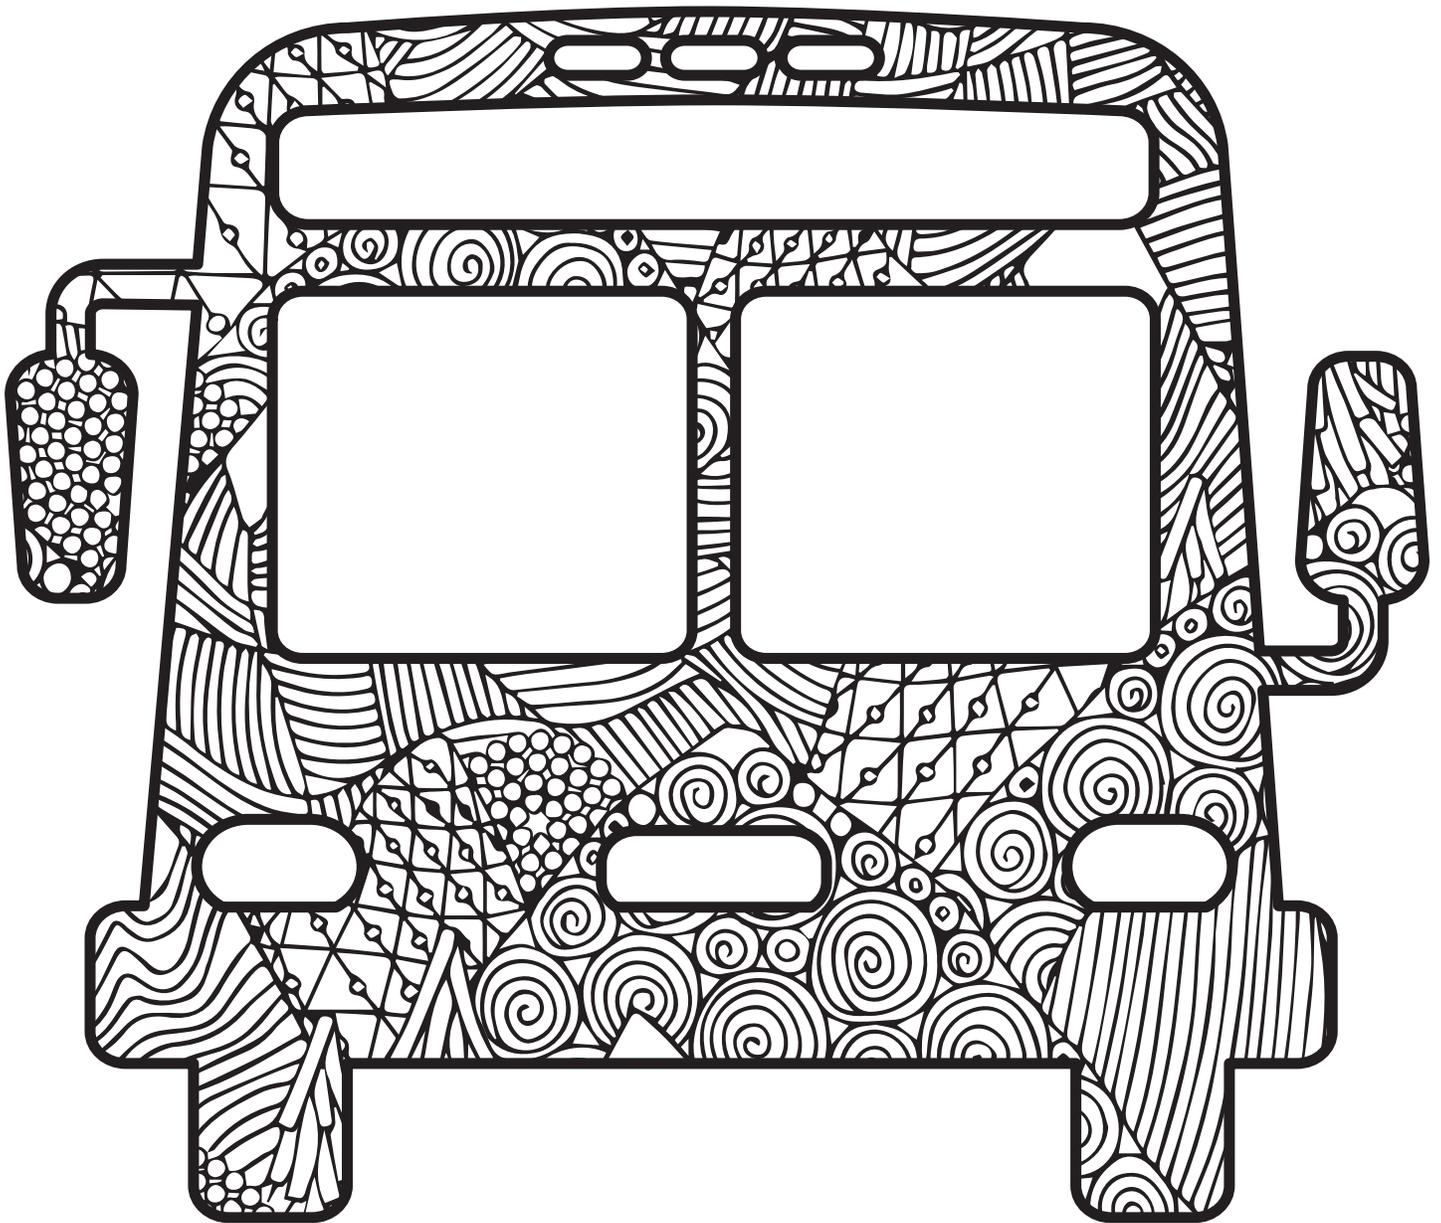

Wrap the bus length around the roll.

Fold the front and back of the bus down to cover the ends of the roll.

# ZENdoodle

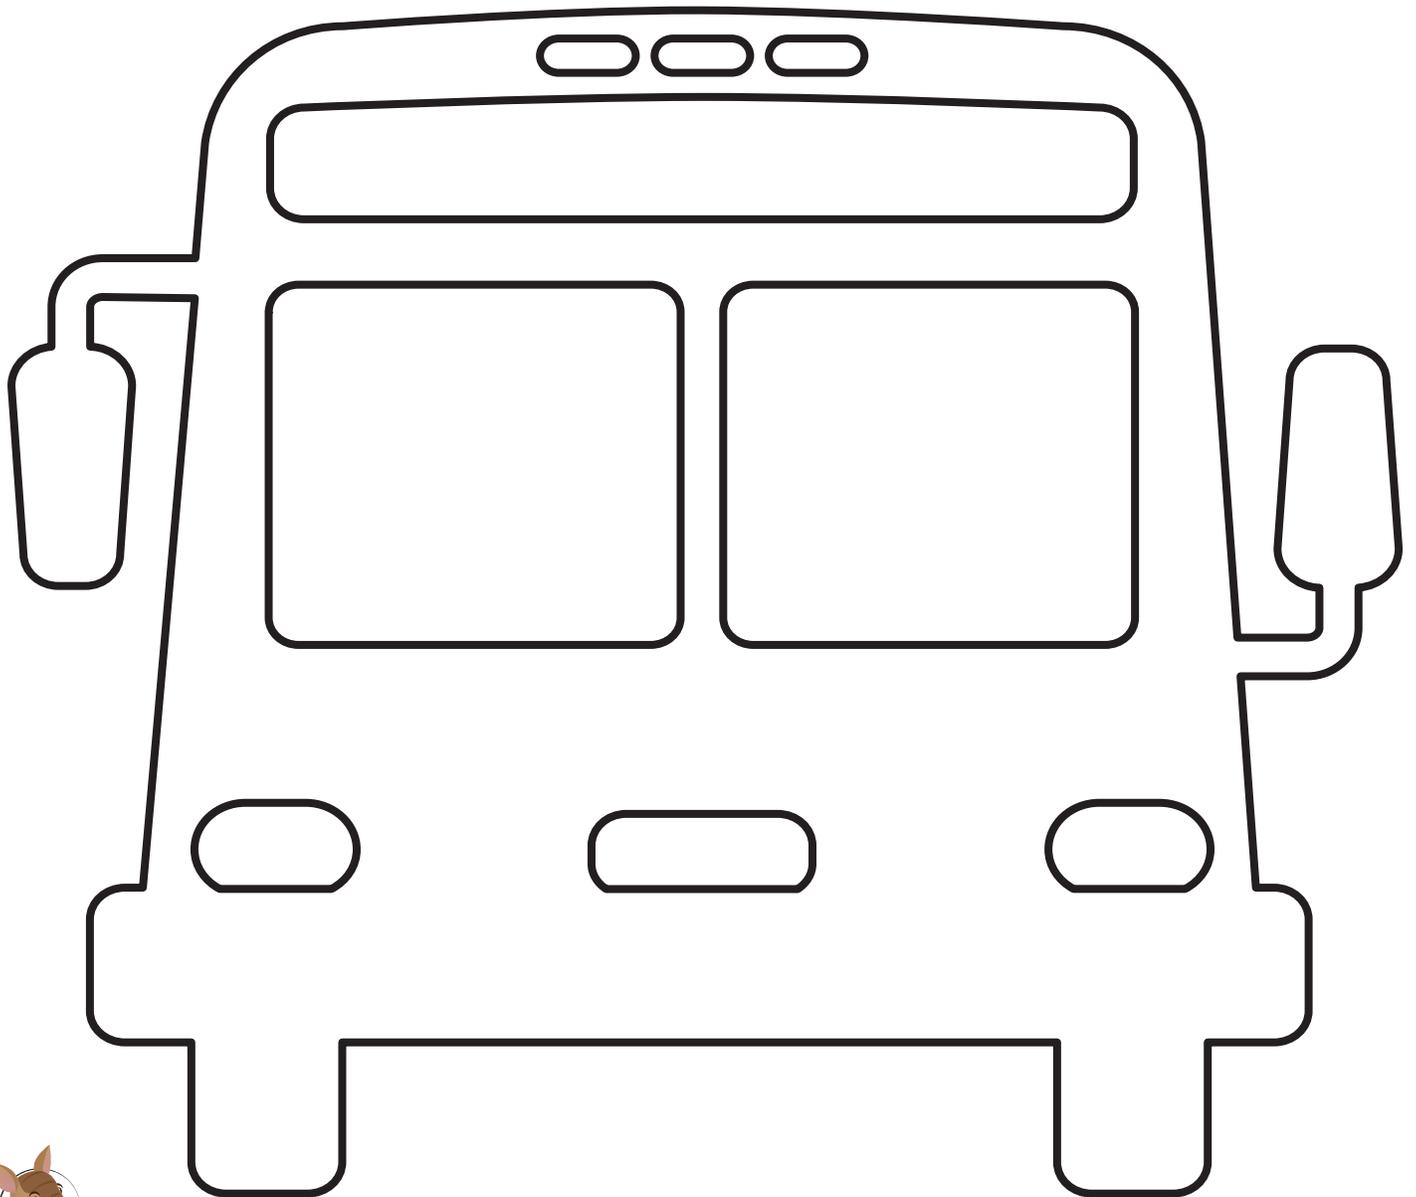

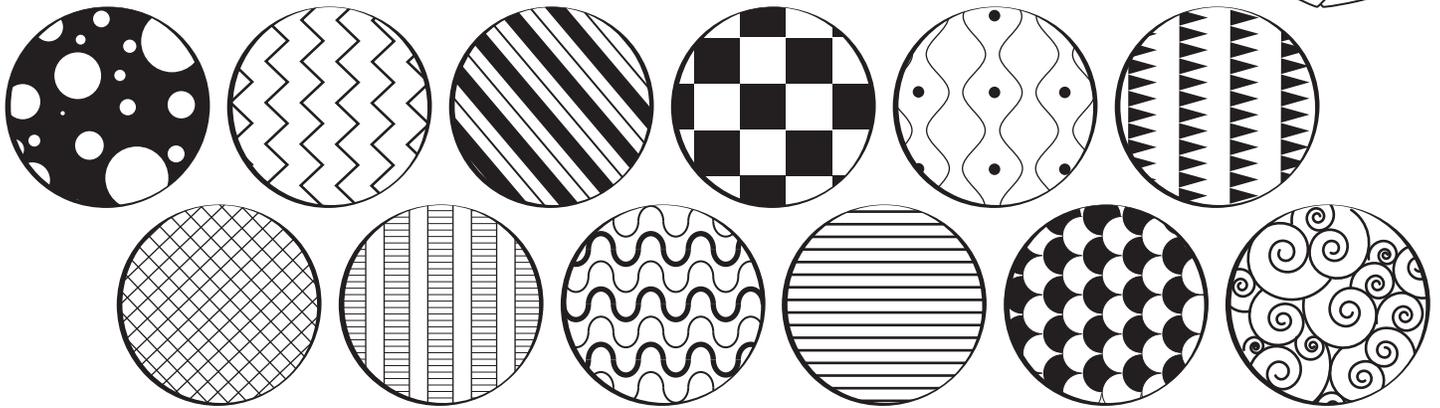

Shhhhh.  
Find inner peace while you color the patterns.

# ZENdoodle

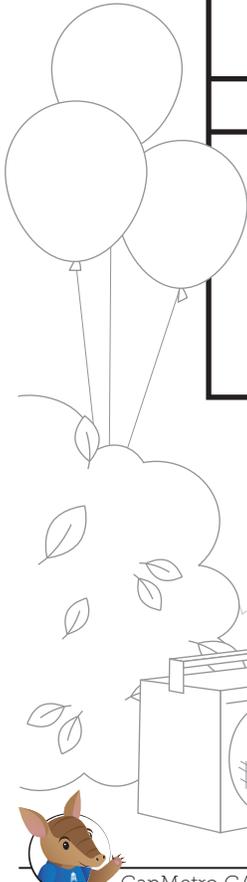

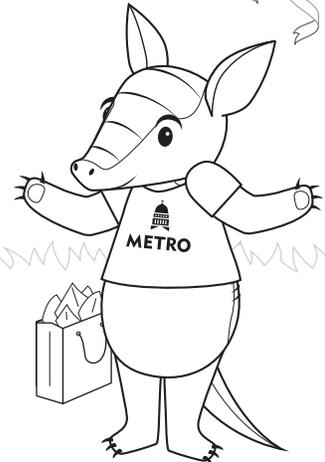

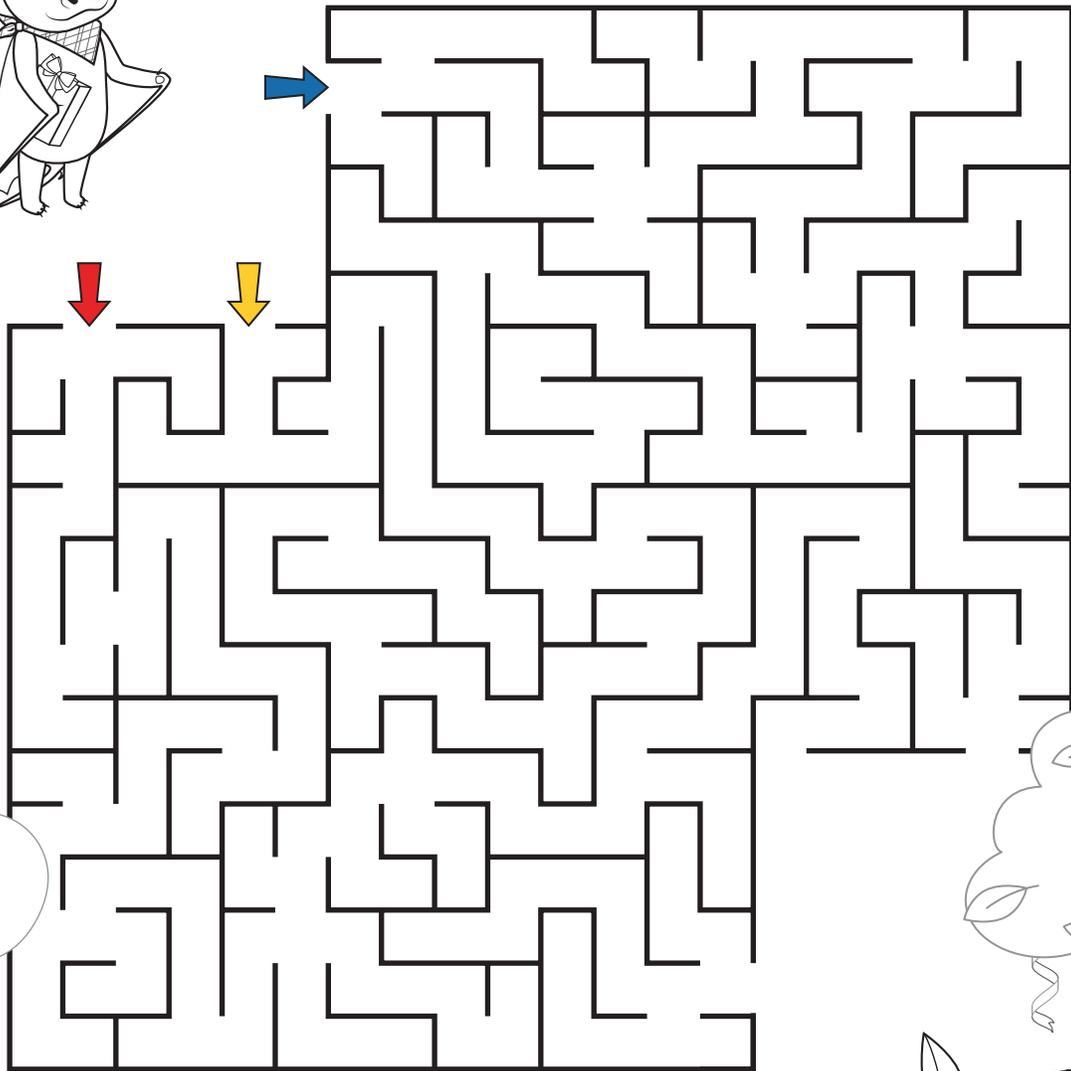

Now, try filling the bus with your own tangle of doodles and patterns!

Use the pattern ideas below or use your imagination to create something new!

# WHICH ROUTE?!

Help Batthew get to Armie's party in Zilker Park.

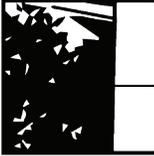

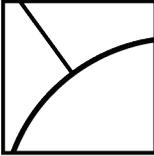

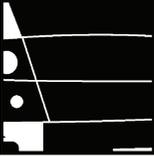

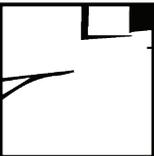

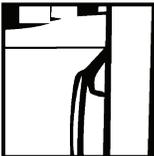

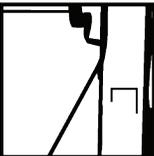

# PICTURE THIS

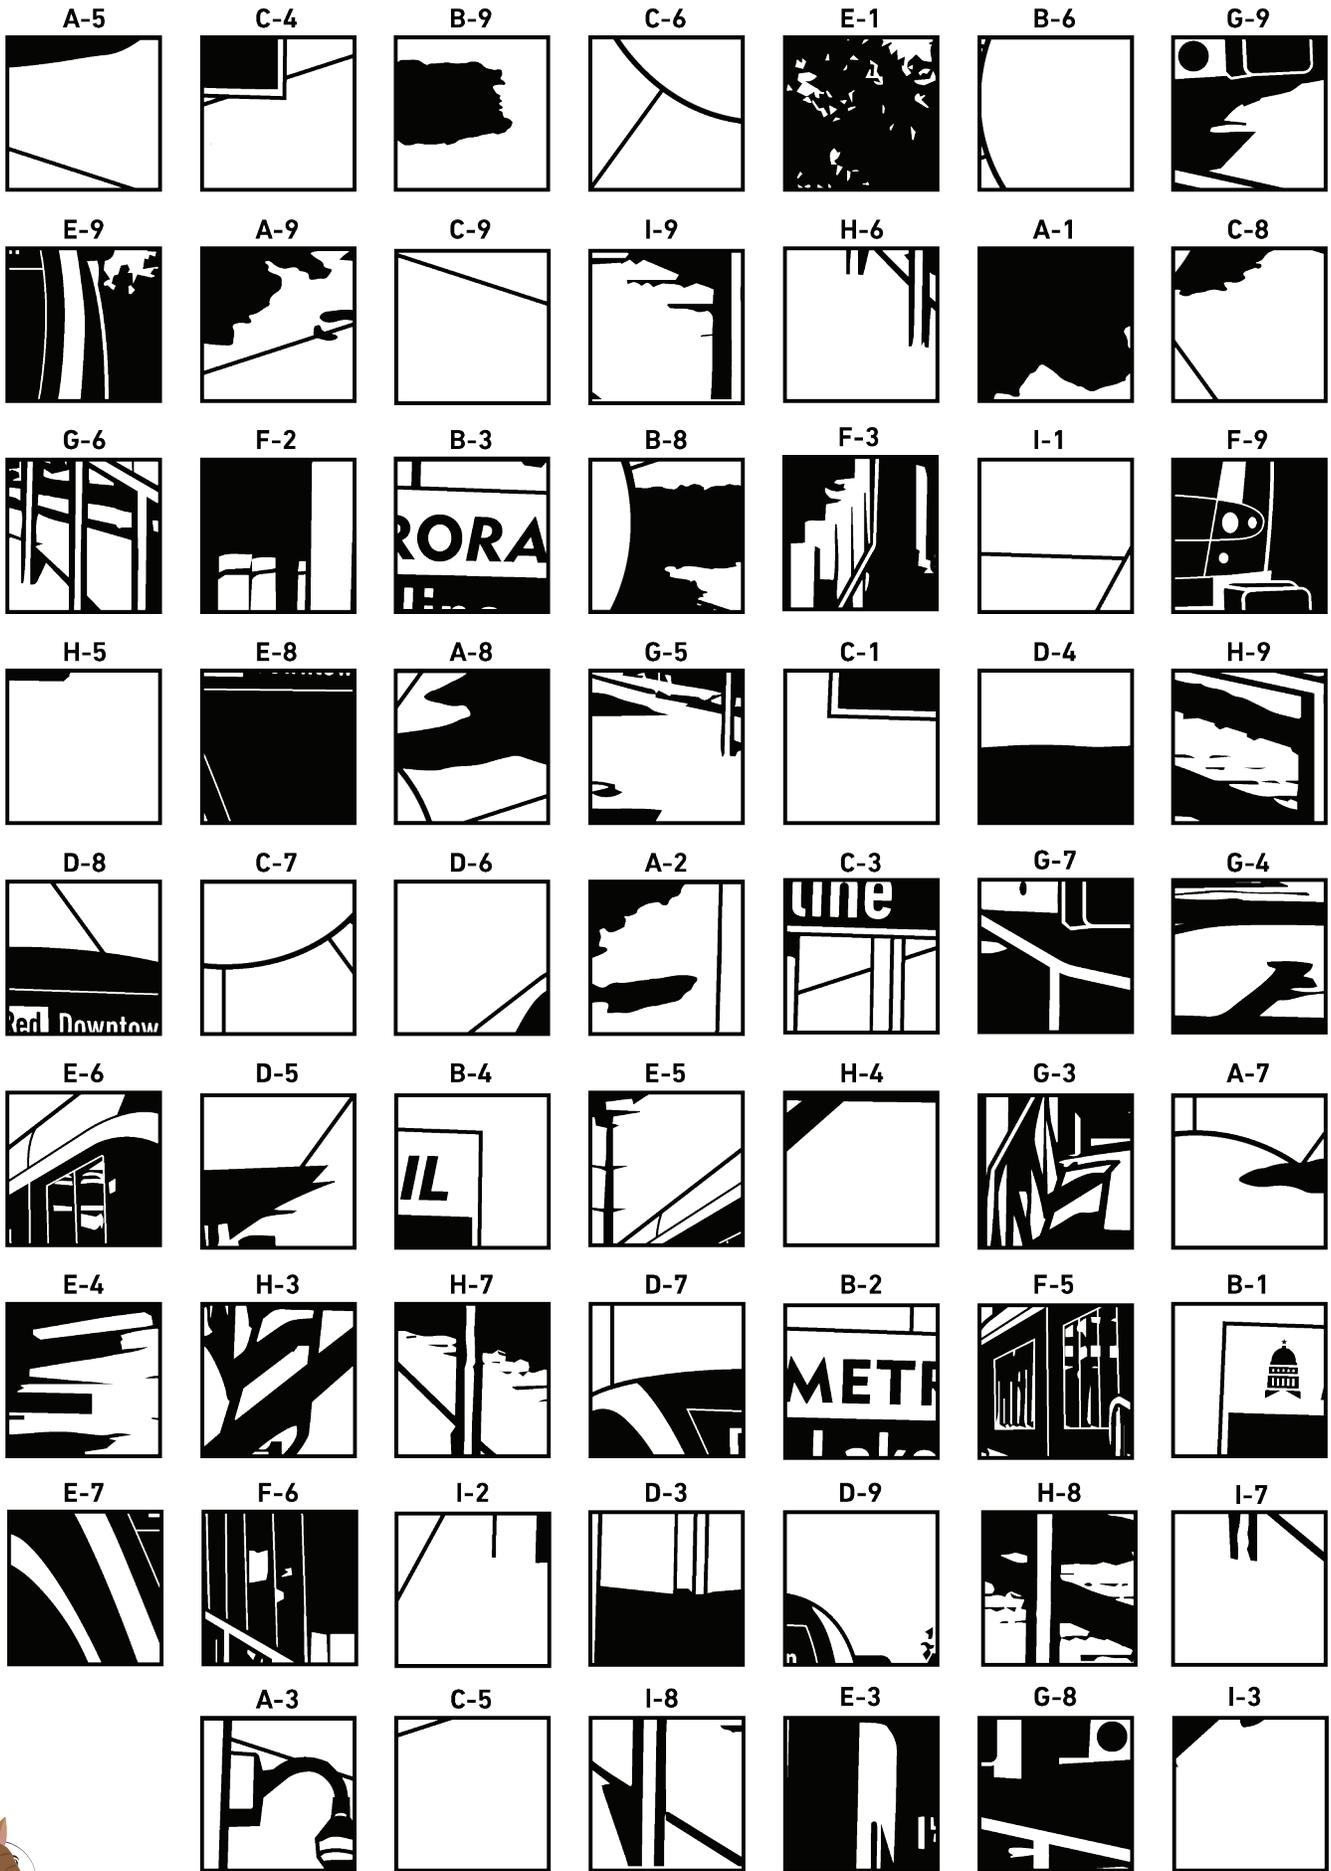

Match the correct square to the corresponding "letter-number" pair on the grid below. Draw a copy of the image you see in each square as accurately as you can onto the grid. Batthew did the first one for you!
