CAP-TIVITIES!

ISSUE #3
AUGUST 2020

A NOTE ON PRINTING...

While we've tried to set up this activity book to be as user-friendly as possible, we understand that there can be caveats to printing at home.

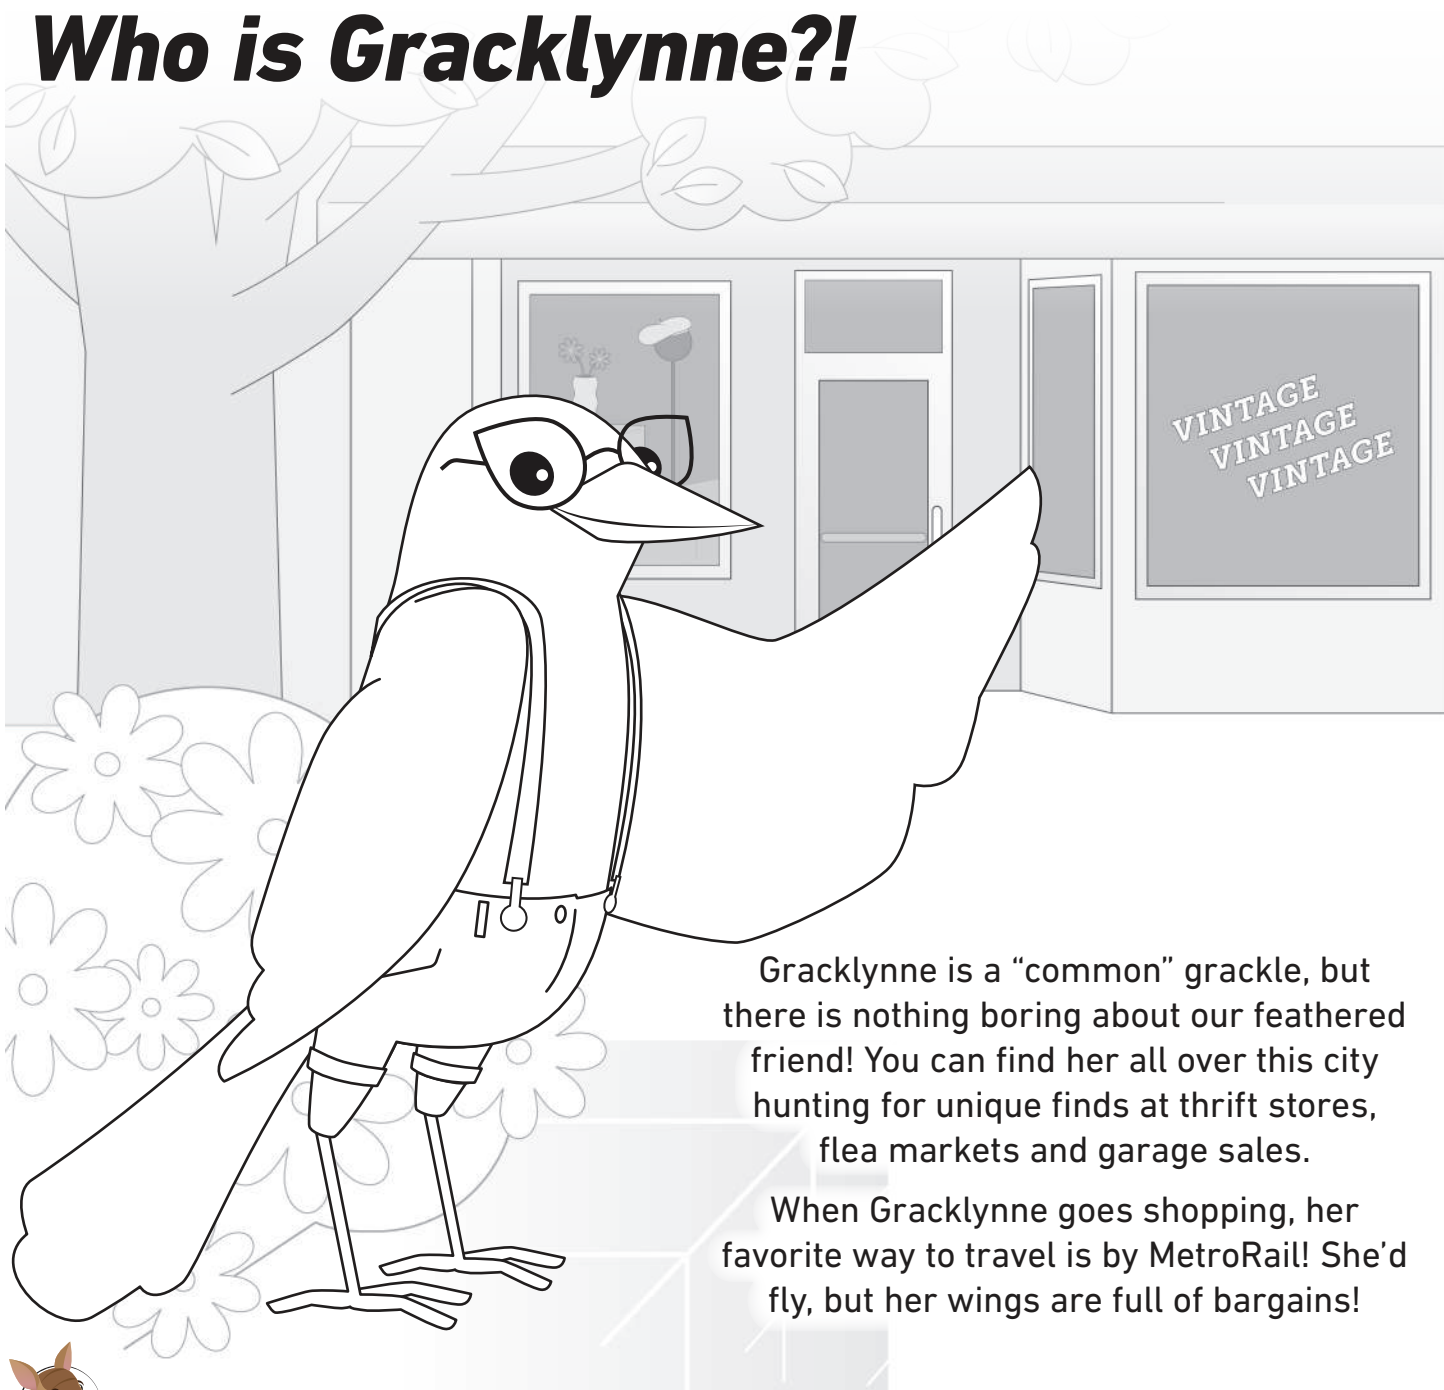

Our recommendation is to print the book single-sided and in color. And, if you run into trouble solving a puzzle, there's an answer key on the last page.

Enjoy!

Who is Gracklynne?!

Gracklynne is a “common” grackle, but there is nothing boring about our feathered friend! You can find her all over this city hunting for unique finds at thrift stores, flea markets and garage sales.

When Gracklynne goes shopping, her favorite way to travel is by MetroRail! She'd fly, but her wings are full of bargains!
